I am requesting that the Sterling Highway from Anchor Point to the top of Baycrest Hill be returned to the STIP list; there have been numerous accidents on this stretch of road which include several deaths and something has to be done immediately. Also the south end of North Fork Road from Nikoleavsk Road south to the intersection with the Sterling Highway is often impassable and/or dangerous and has been a top priority of the area for many years, it needs to be addressed.

Sincerely,
Joanne Collins
Anchor Point, AK
